CADENCE
Lead-up & after

CROSS-POSTED across sister + partner/sponsor channels for maximum reach.

WHAT WE'D NEED: a small crew, photographer, editor & a brand kit. Mostly network-resourced.

Why This Matters — And How We Say It

THE STAKES

200,000+

Philadelphians are food-insecure

1 in 3

children live in food-insecure households

50,000

meals/week from ONE partner — still not enough

SNAP cuts

are deepening the crisis right now

THE KEYSTONE INSIGHT

An anti-violence org sits at this table.

Hunger → unstable households → trauma → the cycle of violence. Food insecurity is the soil everything else grows in. Solve it, and the impact ripples outward into kids' safety, family stability, and neighborhood peace.

*“Hunger isn't the story.
It's where the story starts.”*

Portraits of Hope

One Shoot, Many Lives — The Operating Model

The principle: We make content *of* the event, *for* the event, *around* the event — then it outlives the event.

01

PILLAR ONE · THE CENTERPIECE

The Documentary — The Spine of Everything

WHAT IT IS

A 10–15 minute cinematic film for YouTube that later evolves toward a full docu-film. Sourced from roundtables, panels, workshops, the kids skit, and Don's on-site interviews with panelists & partners.

WHERE IT LIVES

- ✓ YouTube — Brevity Films owned content
- ✓ The source for a press release
- ✓ A reusable asset library for all clips
- ✓ 2027 sponsor-courting tool

THE NARRATIVE ARC

1

THE WOUND

How these issues ravaged the community and created a welfare crisis.

2

THE TABLE

Partners converge. The summit becomes the turning point.

3

THE WORK

Combined efforts. Real, visible change taking place.

4

THE CALL

The community's help is needed to reshape the community.

02

PILLAR TWO · THE EVERGREEN ENGINE

How-To: The Evergreen Engine

Why: “How to” is the most-searched term on the internet. Long potential shelf life. Focus niches: **urban farming, nutrition, food startups.**

How to Start an Urban Farm in 90 Seconds

How to Launch a Food Startup With No Money

How to Eat Well on SNAP After the Cuts

How to Turn a Vacant Lot Into a Garden

How to Feed a Family for \$50 a Week

How to Actually Help at a Food Pantry

RELEASE: *TikTok · IG Reels · YouTube Shorts (clip) + full how-to playlist on YouTube. Weekly, post-event cadence.*

03

PILLAR THREE · THE EMOTIONAL ENGINE

Roundtables & Panels

This is where the urgency lives. Lived experience colliding with policy — perspective, debate, real talk.

THE PANEL DOES DOUBLE DUTY: Roland's personal brand-building + a front-facing flagship piece for the M Movement.

LONG-FORM

Where the story lives

Full session coverage that captures what can't be staged. Raw. Honest. Moments of connection that turn talk into action.

CLIPS & SOUNDBITES

"Voices on the Front Lines"

60–90 sec unfiltered clips from the people closest to the crisis, keeping the stakes visible long after June 5.

QUOTE CARDS

Real-time, same-day

The lines that can't be ignored. Templated in advance, posted within minutes.

04

PILLAR FOUR · NARRATIVE THROUGH PICTURES

Visual Storytelling

CHANNELS & FORMATS

Channels: IG · FB · LinkedIn · YouTube **Formats:** artful photography, carousels, stop-motion, possible comic strips.

CONCEPT IDEAS

The Wreckage / The Response

A story told in images: how food scarcity & homelessness are tearing through Philly lives, and the fight to push back. A portrait of havoc and hope.

When Scarcity Becomes Scarce

Animated shorts where the crisis loses ground: communities & lives renewed by the resources the orgs bring.

VISUAL REFERENCES

Gerd Ludwig — “Sleeping Cars”

Long-lens intimacy. Dignity in hard places.

Julia Matthews — “Daddy”

Narrative through portraiture. Emotional restraint.

The rule: A portrait, not exploitation. Every hard image pairs with hopeful action.

ROLLOUT: Photography → carousels daily on IG / FB / LinkedIn. Stop-motion & animation → TikTok / YT Shorts / IG Stories & Reels.

05

PILLAR FIVE · THOUGHT LEADERSHIP

The Written Arc

THE CENTERPIECE OP-ED

“Hunger isn't the story. It's where the story starts.”

Why an anti-violence org sits at the table at this year's Philadelphia Food Summit — and what it says about us.

Byline: Ken / Ted (or co-byline) **Homes:** LinkedIn + pitch to Generocity / Billy Penn / Inquirer

Timing: drops mid-rollout to drive registration & donations.

SUPPORTING WRITTEN

Panelist & partner thought-leadership in the days leading up to and after the event.

LinkedIn

Long-form essays & the op-ed

Substack

Deeper partner perspectives

X / Threads

Clips + written, simultaneously

Reddit / FB

Community-first, substantive

Roles & Approval Flow

DONOVAN

Central creative & production lead

- ✓ Creative Director
- ✓ Chief Content Strategist
- ✓ De facto Producer
- ✓ On-the-ground Content Lead

EXECUTION TEAM

Shooters · photographer · editor · designer · social support — all execute against Donovan's direction.

ORGANIZER SIGNOFF

Only when needed — external release or sensitive partner-facing assets. Day-to-day creative calls stay with Donovan.

On-site, Donovan owns content priorities, interview direction, and creative choices in real time.

Why Now?

Short founder, sponsor & partner interview clips run daily in the lead-up — supported by stat cards that provide urgency, context, and shareable proof of the mission.

“WHY NOW?” CLIPS

Each clip answers one question: why this summit matters now. Faces and voices that build anticipation.

STAT CARDS

Visual proof that reinforces urgency, context, and mission framing. The data that makes the clips land.
